Introducing

GOPROC
Driven by businessgateways - India

Partner Program

GoProc, the successful eTendering & eAuctions platform, developed by businessgateways India (www.businessgateways.in), offers Procurement Teams a powerful & secure way to save and gain on every Procurement & Disposal event conducted, in a transparent & secure environment.

Platform Highlights

Procurement / Disposal Teams can log onto goproc.com and begin conducting secure & transparent Reverse and Forward eAuctions.	In addition to eAuctions, GoProc has an inbuilt eTendering module capable of delivering a complete eTendering Event.
GoProc eTendering and eAuction Events work seamlessly and provide detailed Reports & Audit Trails conforming to necessary compliances.	GoProc is the apt tool for Indian SMEs & Large Companies to begin saving across Procurement & Disposal Events.

GoProc invites **Partners across India** to join hands with GoProc and serve their Clients to save on Procurement Spend & Gain on Disposal Events.

What is the role of a GoProc Partner?

Promote GoProc Events (eTendering & eAuction) to their existing list of reputed companies.	Pre-Purchase GoProc Events from GoProc as per agreed yearly offtake.	Arrange demonstrations & sell GoProc Events to target clients.	GoProc Partner is responsible for generating GoProc business in potential geographies.

Who can apply as a GoProc Partner?

Interested companies, with a keen motive to expand their current business by serving & delivering value to their existing clientele.

What are the business returns for a GoProc Partner?

GoProc assures considerable returns on investment and is a long-term profitable business opportunity.
